

Day Camp 2018 – How to Register

Step 1 – Create an account and start an application

- Visit ymcasmdaycamp.campbrainregistration.com to sign in to Camp Brain or create a family account
- If you would like to apply for inclusion services select the ‘Day Camp Inclusion 2018’ application and follow the on screen prompts
- For day camp programs start a ‘Day Camp 2018’ application

Step 2 – Add children and select a program, extended care, and transportation option

- Create a profile for each camper you wish to register. All camp programs available for your camper’s age group will appear
- When selecting programs switch campers by clicking the ‘tabs’ at the top or bottom of the page
- To filter the program results use the red filter button on the left

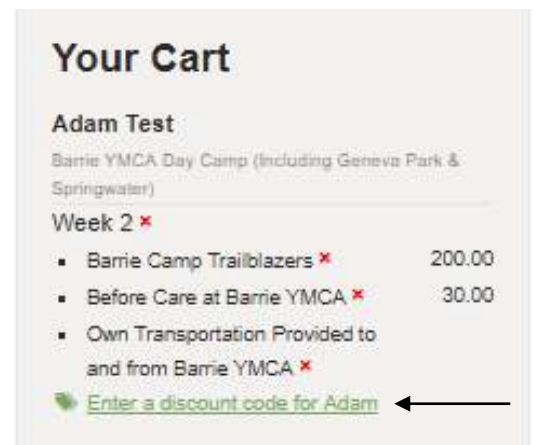

Step 3 – Complete your camper and household forms

- Be sure to complete the ‘Member Discount Form’ to receive the member price if your camper is a member of the YMCA

Step 4 – Enter discounts and select a payment option

- Enter your member, YMCA subsidy, or county subsidy discount code using the green link in your cart
- Select a payment option and method. If you are unable to pay by credit please contact the Camp Office

Step 5 – Review and submit

- Review your application and click submit
- You will receive an email confirmation shortly

Question –

If you have any questions or need help registering please contact the Camp Office:
