MEETING ROOMS:

Meeting rooms can be set up to suit your group's unique needs. Setup includes your choice of layout and screen, flipchart(s) and tackle box full of supplies including markers. Geneva Park can also supply your group with basic audio-visual equipment for a small fee.

Included in the cost of your booking is 24-hour continual access to beverage stations. This provides flexibility in your agenda, as the stations are ready to go whether ahead or behind in your schedule. Coffee, tea, hot chocolate, juices and water are available.

Centennial Centre and Geneva Court

From the large auditorium with modern audio/visual, to the smaller breakout rooms, the customized layouts of Geneva Park meeting rooms can be exactly what your group needs.

Tuck Shop

Available Labor Day Weekend through mid-June, features natural lighting, hardwood floor, beautiful stone wood-burning fireplace, and direct access outside to open deck. This rustic room's best feature is the view of Lake Couchiching.

Geneva Lodge

Lodge Lounge

Located on the 2nd floor of Geneva Lounge, it features a full-size refrigerator, coffee service, filtered water cooler, TV with satellite, DVD and VCR players, and an open deck facing onto Lake Couchiching.

The Boat House

Available June through September and built in 1919, the Boat House overlooks the waters of Lake Couchiching. It has the rustic charm of a causal space with screen windows and doors, and hardwood floors.

Gym

Built in 1929, the gym offers hardwood floors and vaulted ceilings with the equipment you need for a physical activity with your group. Equipment is available for basketball, floor hockey, volleyball and badminton.

Copeland Hall

A standalone building on the water's edge, built in 1922, it is the site of the original auditorium for YMCA Geneva Park. It has hardwood floors, wood walls and a vaulted ceiling with rafters. It seats about 100 people in rounds. This location is typically available June through September with wide screen windows that open onto Lake Couchiching.
