100th Anniversary Endowment Fund

# OH BEAUSOLEIL....

"Being at Camp, being on the water, mastering a canoe—all these things give life lessons not just planted in the mind, but built right into the nerves and muscles. And all the while you are having fun."

Ed Bridge  
(Kitchi 1950-1963)

## ...WE PLEDGE OURSELVES FOREVER...

"The word "Kitchi" brings tears to my eyes, a lump in my throat and joy to my heart. Waves of emotion buoy me when I reminisce about Kitchi."

Wendy Mansell Kimmel  
(Kitchi 1963-1967)

## ...TO BE THE BEST THAT WE CAN EVER BE!

"Imagery of Kitchikewana will be with me for life. Kitchi gets into your soul. It taught me so much. It's the reason I am who I am."

M J MacDonald  
(Kitchi 1976-1986)

## 100th Anniversary Endowment Fund

### Help us protect the future

The YMCA Camp Kitchikewana 100th Anniversary Endowment Fund will ensure the continuing development of children in mind, body and spirit while strengthening Kitchi's legacy for another 100 years of camping memories.

With the upcoming 100th year celebration of Camp Kitchikewana, let us reflect on our past, celebrate our present and prepare for the future. Imagine the kids and families whose lives will be immeasurably enriched by the work of Camp Kitchikewana as a result.

Funds will be used for:

- ✓ Replenishing, repairing or replacing Camp equipment such as sailboats, canoes, kayaks, sailboards, and trail bikes. This would extend to the purchase, replenishing, repairing or replacing of equipment for any new, approved camper program.
- ✓ Maintaining, improving or repairing the interiors of all existing camp facilities, including all floors, walls, ceiling, furniture, fixture and lighting.
- ✓ Program related docking.

### Learn how you can help

A gift can be made to the YMCA Camp Kitchikewana 100th Anniversary Endowment Fund in the following ways:

- ✓ A cash gift of \$1,000 or more
- ✓ A commitment in your will/bequest
- ✓ A life insurance policy
- ✓ A gift of securities, stocks or bonds
- ✓ A registered retirement savings plan or income fund
- ✓ Gift annuities, charitable remainder trust or a gift of residual interest

Every family has a different financial situation and different legacy goals, however, there are many meaningful ways to give both now and in the future. All gifts will provide a perpetual benefit to the camp and may provide charitable tax credits which can offset a large portion of your donation.

We encourage you to speak with your family and professional advisors about your legacy goals and your personal options for how best to achieve them.

We would be pleased to have a confidential discussion regarding leaving a legacy to Camp Kitchikewana. Please contact
