Participation in this program is non-transferable. Should funding cease, the YMCA shall whenever possible refer participants to a government representative for more information or to other service providers in the community.

I also understand that since funding for the program has been provided by Canada, Canada needs my participant information to measure the results of the program and evaluate the program's success; evaluate more generally, the success of the program in achieving its objective; and meet its obligation of accountability to Parliament and the Canadian public for the operation of the program by reporting on the results. The information, when provided to Canada, is administered in accordance with the Privacy Act and the Department of Employment and Social Development Canada Act and I have a right under the Access to Information Act to obtain access to that information from Canada. To obtain more information about their privacy rights I can visit the Government of Canada website.

Limitation of Liability

By participating in a YMCA program, I agree that I am participating voluntarily and do so at my own risk and I agree to fully release the YMCA and its officers, directors, agents, staff, and volunteers from all claims or lawsuits for any injuries, death, property damage or theft, losses, or any other liability of any kind, arising directly or indirectly out of your participation in YMCA programs unless sole and proven negligence of YMCA.

Electronic Communication

I hereby give consent to the YMCA to contact me through the electronic channels I provide (e-mail, Texting, Facebook, LinkedIn, Twitter etc.) for the purpose of providing program information, assessing candidacy, and to contact me for the purpose of program evaluation. I understand that after my service project is complete, I can request to opt out of future communication from the YMCA by contacting action@ymcagta.org.

YMCA Commitment to Privacy

The YMCA is committed to protecting personal information by following responsible information handling practices. They collect and use information when I volunteer when I access or register for a YMCA program, in order to better meet my service needs, to ensure a safe environment, for statistical purposes, to inform me about the YMCA program in which I am registered, and to satisfy government funding and regulatory requirements. I may also hear from them periodically about other YMCA programs, services and opportunities that may interest and benefit me. I may request access to information under the applicable privacy law. There are circumstances that limit confidentiality of such information. In these circumstances, it is the YMCA's duty to disclose participant information:

1. The requirements to disclose information through a subpoena or search warrant or other requirements by law;

2. The participant discloses information, previously unreported, regarding the abuse of a child or vulnerable person;
3. The participant states that they will harm themselves or someone else;
4. To the extent that this information is required to provide program services, including but not limited to program delivery and site coordination.

Our commitment to each other: The YMCA is a shared experience for everyone to enjoy. Each of us can make it better for all by being considerate to others. The YMCA strives to provide each member with excellent customer service. All YMCA participants, staff, guests and volunteers pledge to treat one another with respect and dignity.
