The YMCA requires all participants to pre-book their visits and complete a health screening prior to entering our facility or programs. Masks are required to be worn right up until you are performing a physical activity. Thank you for your cooperation.

Physical Distancing Measures

- Equipment has been spaced at least 2 metres apart.
- Modified schedule to ensure staggered entry.
- Capacity limits. Members must book a time in advance of visit.
- Clear floor markings.

Pre-booked Visits

- A new booking system will limit the overall number of members in the YMCA at any given time.
- Register up to 7 days in advance for workouts, swims, classes, and programs during this first phase of re-opening.

Increased sanitization and disinfection

- Regular and documented sanitization of common area touch points (eg. door handles, elevator buttons, hand railings, light switches, toilet seats, taps).
- Additional hand-sanitizing stations.
- Removal of non-essential or difficult-to-clean equipment.
