# CABIN RENTALS GUIDE

SUMMER 2021

# LETTER FROM DIRECTOR

**Dear Friends of YMCA Camp Kitchikewana,**

We know you are likely missing camp and are disappointed in the news that we will not be operating our traditional overnight camp as you all know and love.

While we can't be together in a typical overnight camp setting, **we're excited to be offering a Cabin Rental program at Camp Kitchikewana this year.** For all 9 weeks of the summer, our cabins and site will be available for families to enjoy together.

We wanted to give families and campers a way to enjoy camp that is as safe as possible, and can't wait to welcome our awesome community back to Beausoleil Island this summer.

The health and safety of our campers and families remains our highest priority, and we are committed to welcoming our community back to Beausoleil Island in a way that is safe and follows all recommended practices and public health guidance.

See you soon,

**Julia Fulton**  
**Director, YMCA Camp Kitchikewana**  
Camp.kitchikewana@sm.ymca.ca  
705-325-2253 ext. 651

# WHAT'S INCLUDED

## **Accommodations**

Each family will have a cabin to themselves. Regular cabins sleep 10 (5 bunk beds). If you've never been to Kitchikewana before, you can expect a rustic and traditional camp cabin, equipped with lights, outlets, shelves, and a large porch. Toilets and showers are shared for all cabins. To minimize the potential spread of COVID-19, we will assign specific shower and toilet stalls for each family to use.

Premium cabins include The Deach, our Leadership Cabins, and the Triplex. These cabins are larger, and include more space and beds.

## **Food Service**

Food service will be provided. Families can expect 3 meals and 2 snacks per day. We will be providing meals that are family friendly, fulsome and nutritious. Food service will likely be take-out style, with families collecting food from the dining hall to enjoy at outdoor picnic tables or their cabin porches.

## **Activities**

Families can look forward to utilizing our many facilities and activities. Mountain biking, canoeing, kayaking, crafts, the jumping tower, and the waterfronts will be available for participants. Most programs will be self-led; staff will be available to ensure the safe operating of activities, but will not be available for instruction or facilitation. Some activities may only be available during designated periods during the day. Families can expect lifeguards to be on duty at scheduled points throughout the day to ensure a safe waterfront experience. Outside of those scheduled times, families may access our waterfronts in the designated swim areas at their own risk. Swimming and boating is prohibited after dark.

## FAQ's

---

### **How do we get there?**

- » YMCA Camp Kitchikewana is situated on Beausoleil Island, on Georgian Bay Islands National Park. Families will park at Honey Harbour Boat Club (cost is included), and will meet the Kitchikewana boats to bring them to the Island. Pick up and departure times to be confirmed.

### **Will we be able to purchase some Kitchikewana clothing?**

- » Yes! Our Tuck Shop will be open throughout your stay for you to purchase clothing, headgear, water bottles, mugs, stickers, crests, and more!

### **What constitutes as a "Family"?**

- » Our Cabin Rental program is designed for households or social bubbles as defined by the Provincial Government at the time of operation.

### **Is this Family Camp?**

- » For our experienced Family Campers, the shared experiences with your family will remain the same, however activities, programs and communal dining have been modified to support enhanced health and safety protocols to keep everyone safe. Families will be expected to remain with their own family and interactions with other campers will be limited. Many programs will be self-guided with only a limited number of our staff programs offered, but our team is still here to make sure you have a great family getaway.

### **Can my family interact with other families?**

- » For the safety of everyone, families will be expected to adhere to physical distancing measures. That being said, this program provides a great opportunity for participants to meet new people and make new connections at a safe physical distance.

### **Is financial assistance available?**

- » We are committed to making our programs more accessible to families who want to enjoy them. Please contact [camp.kitchikewana@sm.ymca.ca](mailto:camp.kitchikewana@sm.ymca.ca) for more details.

### **How do I sign up?**

- » Please visit <https://ymcacampkitchi.campbrainregistration.com/> to register for a cabin rental.

### **What is the Deposit and Refund policy?**

- » We are not taking deposits at the time of registration. We will be in touch to collect balances in the weeks leading up to your stay.
- » After fees are paid, refunds will be given for medical reasons only.

# HEALTH + SAFETY

## **Health & Safety**

Nothing is more important than the health and safety of our campers and staff. We will be following all regulations and guidelines from our government and public health officials to reduce the spread of COVID-19. We will have measures and practices in place in order to promote safety and physical distancing. Health measures may change or evolve as directed by public health authorities.

Families can expect to receive a COVID-19 Safety Plan prior to their stay, outlining all of the measures and practices in place at the time of their stay. Families can expect the following measures to be in place:

**Screening:** All participants must complete a Health Screening prior to arrival to Camp Kitchikewana.

**Meals-to-go:** Meal service will be altered to ensure that families can enjoy their food in a safe way; families can pick up their meal from the dining hall and enjoy their food at a picnic table or their cabin porch. Going on a hike? We will get your meal prepared “picnic-style” in advance!

**Washrooms and Showers:** Each family will be assigned a toilet stall and shower stall to limit shared use of high-touch areas. In common washrooms, capacity limits will be posted at the entranceway.

**Enhanced Cleaning & Sanitization:** Washrooms and showers will be cleaned multiple times throughout each day. Cabins will be cleaned and aired out in between stays.

**Mask-wearing:** Masks must be worn indoors at all times, with the following exceptions:

- » When in the privacy of your family cabin
- » Showering
- » Seated at a table for meals (meals may be served indoors at times due to inclement weather).

**Masks must be worn when on the boat ride to the Island, and may be required outdoors in some other settings.**
