Collingwood Swim Lessons and Advanced Aquatics Programs

Spring 2023, March 20 – June 11, 2023

Parent and Tot: Splasher / Bubbler (6 months – 3 years)

YMCA Li'l Jumpers program will introduce your baby, toddler, or preschooler to the basics of swimming. Caregiver assisted child program to develop comfort in the water, familiarity to environment and to promote water fun.

Preschool: Bobber/Floater/Glider/Diver/Surfer/Jumper (3-5 years)

You're never too young to enjoy the water! The YMCA Li'l Jumpers program will introduce your preschooler to the basics of swimming.

Child Swim Lessons: Otter/Seal/Dolphin/Swimmer (6-12 years)

At the YMCA, we believe that swimming benefits your child through better health, new friends, and self-confidence. The YMCA Learn to Swim program is a series of four swimming levels focused on technique, stroke development and endurance.

Child Advanced Swim Lesson: Star 1,2,3,4 (6-12 years)

Children who have completed the YMCA Learn to Swim Program or equivalent can develop more advanced skills through the YMCA Star Program.

Child Aquatic Leadership: Star 5, 6 (8-12 years)

Children 10 years or older who are competent swimmers can take the YMCA Star Leadership Program. Combining leadership opportunities with the Lifesaving Society's Canadian Swim Patrol program, the YMCA Star Leadership Program consists of two levels - Star 5 and Star 6 - that develop first aid, lifesaving, and advanced swimming skills.

What Swim Level is My Child in?

Visit swimgen to find your child's past and current swim reports. Access website below using your child's membership number to look up report card.

<http://swimgen.net/search/colymca>

Our staff are available to help assess your child's swim level.

If your child has taken swim lessons outside of the YMCA simply use this conversion chart to know which YMCA level to put your child in.

Please remember to bring secondary indoor footwear to wear in our wet areas and on the pool deck. Outdoor footwear is not allowed on our pool deck as per public health regulations.

Included with your Membership!

Please ask for your online access code from the membership desk. Valued at \$15 a month.
