

YMCA Camp Kitchikewana Hiring Guide

Spring, Summer, Fall 2024

December 2024.

Dear applicants,

We are thrilled to share the Hiring Guide for the 2024 season with all of you.

Believe it or not, camper registration for the 2024 season has already begun. Included with this letter you will find the 2024 Hiring Package. In the package you will find job descriptions, contract lengths and staff pay rates.

It is encouraged that you pay close attention to the job description, start dates and qualifications needed for each role. Working at camp is a fulfilling experience, it is also one of the most challenging adventures you will undertake.

While at camp, we as staff take on the responsibility of providing the camp experience we had as campers ourselves. It is an important moment in your Kitchi journey; it is when the safety, fun and growth of each individual camper becomes your responsibility. I can tell you it is a daunting experience... but it also one of the best and most rewarding experiences you will ever have.

As a staff team it is our responsibility to create a camp experience where the enjoyment, safety & growth of campers is the number one priority.

Please be advised that you must be 17 years of age by December 31, 2024 in order to work or volunteer at Kitchi. For all positions (excluding kitchen, maintenance staff and volunteers), it is highly preferred you have up to date NL by the start of your contract. All staff (excluding volunteers) must have their up to date Standard First Aid and CPR prior to the start of the contract. Please ensure that your certifications required for your position do not expire within the duration of your contract.

Vulnerable Sector (VS) Police Checks are only required if you will be 18 years old prior to August 31, 2024 If you turn 18 while you are at camp, you must obtain a check at that time. If you submitted a Police Record Check within 3 years of your contract start date, you will not need to reapply.

Please do not hesitate to contact the camping office if you have any questions. We look forward to receiving your application!

Take care everyone, and as always, don't hesitate to connect with any questions.
