Preschool Swim Lessons

You're never too young to enjoy the water! The YMCA Little Jumpers program will introduce your preschooler to the basics of swimming.

Learn to Swim

At the YMCA, we believe that swimming benefits your child through better health, new friends, and self-confidence. The YMCA Learn to Swim program is a series of four swimming levels focused on technique, stroke development and endurance.

Star Program 1-4

Children who have completed the YMCA Learn to Swim Program or equivalent can develop more advanced skills through the YMCA Star Program.

Star Program 5-6

Children 10 years or older who are competent swimmers can take the YMCA Star Leadership Program. Combining leadership opportunities with the Lifesaving Society's Canadian Swim Patrol program, the YMCA Star Leadership Program consists of two levels - Star 5 and Star 6 - that develop first aid, lifesaving, and advanced swimming skills.
